*** Please ask families to measure their children, and not just go off their children's clothing size**

STEPS ON HOW TO ORGANISE THIS FOR YOUR CLUB:

- 1) Design your rashies.
Ask families to help or use our design below
- 2) Pick the colours you would like (colour chart link above, but Nova can also send you samples swatches of the colours you would like)
- 3) Choose between a long or short sleeve rashie
- 4) Email families (see email example) to get them to pick a colour- if your club has chosen more than one colour option
 - ask them to let you know the size they want to order (send the link to the size chart- above).
 - * Nova can send you a size run sample pack, that you can make available for the members to try on before ordering. Please be aware though that these rashies will need to be returned and any damages to them will need to be paid for.
- 5) Email Nova with design requests and size order (see email example)
- 6) Send invoice to Cluster Manager to arrange payment
- 7) Ask families to donate \$10 before on collection of rashies. The money can be transferred to the Rainbow Club Bank account (details in the rashie guidelines document on SharePoint)

EXAMPLE EMAIL TO FAMILIES:

Hi Members,

As some of you have probably seen, some of our club members have Rainbow Club Rashies that they wear to their swimming lessons. We are lucky enough to be getting some more re-ordered for our club, for anyone who does not currently have one (or have outgrown their current one).

Rashies are paid for by donations and support from our local community, but we do ask if it is possible, that families could contribute \$10 to the purchase of the rashie. All the money from these donations will be put the money back into our club, which makes it possible to purchase resources and more rashies for the children in the future. These rashies are high quality vests (each costing around \$50), and will last you a very long time, so a small donation would be greatly appreciated.

And now for the designs! We have two options available, so please let me know which one your child would like.

And finally, I will need to know your child's size. Attached is a copy of the sizing chart, please make sure that you actually measure your child, and don't just go off their normal clothing sizes.

So to recap, I need from you, a confirmation of

Any questions, please let me know.

EXAMPLE EMAIL TO NOVA SWIMWEAR:

Please find attached an example of the designs we are after, and the sizes we would like to order are below.

We would like to order **short sleeve rash vests**.

The design will be like in the image attached- 'short sleeve' - with the Rainbow Club logo across the front and Cronulla/Miranda written underneath the Logo (image shows it across the length of the logo, but please print it to it is positioned to be only half of the size of the logo and roughly positioned under the word "club").

Can we also have '**Cronulla/Miranda**' written across the back of the rashie in bold (like our volunteer rashies and Instructor rashies have)

The two-colour ways we want to order are under the 'rash vest colour' attachment

The breakdown of sizing is:
